

# Mission

The **Italian-Cypriot Chamber of Commerce**, recognized at government level and recorded in the Register of the Italian Foreign Chambers held by **UNIONCAMERE**, aims to contribute to the development of economic, commercial, technical, legal, scientific and cultural cooperation between Italy and Cyprus, as well as among the operators of the aforementioned countries and to encourage the creation of a climate of trust and effective collaboration between the institutions and Italian and Cypriot entrepreneurs.

To enhance and facilitate economic and commercial exchanges between the two countries, the **Italian-Cypriot Chamber of Commerce**, in close contact and in collaboration with the Italian and Cypriot institutions, aims to operate on two parallel planes, which integrate and complement each other.

**The first** is made up of constant strategic support for the activity of Italian and Cypriot economic operators, also through participation in meetings with the political and economic authorities of the two countries and constant awareness-raising with reference to industry needs Italian in Cyprus and Cypriot in Italy.

**The second** consists of carrying out activities and providing services (e.g. basic consultancy, technical-logistical assistance, organizational support, etc.) to Italian and Cypriot companies.

The activity of the **Italian-Cypriot Chamber** takes place in assiduous and close collaboration with the **Embassies, Ministries** and other **Institutions** of the two countries.
