

Round Table on Italy-Cyprus Cooperation Opportunities in Energy Sector.

Sintesi Business Network, as **Cypriot-Italian Business Association**, is pleased to announce the organization of the **II CYPRIOT-ITALIAN BUSINESS FORUM** whose theme will be this year **“ENERGY TRANSITION. OPPORTUNITIES AND COOPERATION THROUGH THE NATIONAL AND EUROPEAN LEGISLATION”** which will be held on **December 13th**, from 9.45 to 12.45 in **Rome**.

At the event, directly organized by the **Secretary General Giuseppe Marino** in partnership with **Tonucci & Partners Law Firm of Rome**, will attend the **Ambassador of the Republic of Cyprus in Rome H.E. Minas Hadjimichael** as well as important representatives of the institutions and of the main Cypriot and Italian companies in the sector.

The program, edited by **Federico Franchina**, coordinator of the Energy and Shipping Committee of Sintesi Network, after institutional greetings, foresees a panel of interventions by qualified speakers who will provide an overall picture on the energy transition and the relative opportunities for companies on the Cypriot-Italian axis.

Sintesi Business Network, born as international association particularly focused on research, study and analysis of legal and tax matters in international corporate consulting area, has oriented later its focus on the promotion and development of economic, commercial and professional relations between **Italy** and the **Republic of Cyprus**, consolidating its presence as **Cypriot-Italian Business Association**.
